### SAVE ON TICKETS

- Look for cheaper tickets online.
- Ask a friend who is a season ticket holder if you can take their place for an event.
- Attend a minor league or college event instead.
- Work or volunteer at the event.
- Host a viewing party from home instead of buying tickets.

### SAVE ON CONCESSIONS

- Tailgate before the game so you can skip the concession stand.
- Ask if there are any nights with concession deals.
- Bring your own food in, if the stadium allows it.
- If you have to eat at the game, limit yourself to what will fill you up-no need for a snow cone!
- Don't buy any beverages other than water.
